

**How would you like** to see HRM's name immortalized on a Monopoly board?

It just might happen.

The makers of the world's most popular board game are preparing a Canadian edition and they're asking the public's help in deciding which places will make Monopoly history by appearing in this new version.

Canadians are being invited to vote for three favourite places from the 65 that have been pre-chosen. The top 20 will win places on the board.

The vote is being done on-line so all you need to do is log onto [www.monopolyvote.ca](http://www.monopolyvote.ca) and start clicking for us!

**What kind of improvements** would you like to see made to the North Common area, better known as the Halifax Common?

HRM will be hosting an open house January 20 (storm date January 21) to present proposed improvements to the area and gather public opinions on the proposals.

The open house takes place at City Hall where you'll be able to inspect the proposed plan between 6:30 and 7:30 p.m., after which there will be a presentation by staff and a question-and-answer period.

I hope you can be there.
